

## Customized Long Lasting 1C Rc Lifepo4 Battery Pack 2100mah 2.5V

Our Product Introduction

for more products please visit us on [lohuite.com](http://lohuite.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: lohuite
- Model Number: 2023-02

### Product Specification

- Max. Discharge Voltage: 2.5V
- Size: Customized
- Storage Temperature: -20-25
- Discharge Rate: 1C
- Charge Temperature: 0-45
- Charging Rate: 1C
- Discharge Temperature: -20-60
- Voltage: 3.2V
- Highlight: Lifepo4 Battery Pack 2100mah,  
1C Lifepo4 Battery Pack,  
rc lifepo4 battery 2100mah

## Product Description

### Product Description:

Lifepo4 Battery Pack is a powerful, reliable and long-lasting Lithium-Ion Iron battery solution with a charging rate of 1C. It is customizable in size to meet your specific needs, and has a maximum charge voltage of 3.65V. This battery pack also has a wide temperature range of -20-60 and provides multiple protections, such as overcharge, overdischarge, overcurrent and short circuit protection. With a Lifepo4 Battery Pack, you can enjoy a superior energy density and long-lasting battery life.

### Applications:

Lifepo4 Battery Pack

LOHUIITE Lifepo4 Battery Pack (Model Number 2023-02) is a Lithium-Ion Iron rechargeable battery pack made in CHINA, featuring a max. charge voltage of 3.65V, 1C charge rate, 1C Discharge rate, and wide temperature range of -20-60 for discharge and 0-45 for charge.

The Lifepo4 Battery Pack is suitable for a variety of applications such as electric vehicles, drones, robots, power banks, solar energy storage systems, and medical devices.

The Benefits of using the Lifepo4 Battery Pack include:

High energy density

High voltage

Long cycle life

Wide temperature range

No memory effect

High safety

Low self-discharge

LOHUIITE's Lifepo4 Battery Pack is the ideal choice for those looking for a high-performance, long-lasting, and dependable battery solution.

### Customization:

LOHUIITE Lithium-Ion Battery Pack

Brand Name: LOHUIITE

Model Number: 2023-02

Place of Origin: CHINA

Charging Rate: 1C

Max. Discharge Voltage: 2.5V

Storage Temperature: -20-25

Cycle Life: 2000 Times

Protection: Overcharge, Overdischarge, Overcurrent, Short Circuit

### Support and Services:

Lifepo4 Battery Pack technical support and service includes:

24/7 technical support helplines

Free online technical support

Dedicated product support team

On-site product training and maintenance

Software and hardware upgrades

Troubleshooting and repair services

Warranty and extended service plans

### Packing and Shipping:

Packaging and Shipping for Lifepo4 Battery Pack

Packaging:

The battery pack is wrapped with bubble sheet and enclosed with a cardboard box.

The box is labeled with the product name, part number, and other relevant information.

Shipping:

The battery pack is shipped in a cardboard box.

The box is labeled with the product name, part number, and other relevant information.

The box is shipped via ground or air freight.

### FAQ:

Q1: What is the brand name of the Lifepo4 Battery Pack?

A1: The brand name of the Lifepo4 Battery Pack is LOHUIITE.

Q2: What is the model number of the Lifepo4 Battery Pack?

A2: The model number of the Lifepo4 Battery Pack is 2023-02.

Q3: Where is the Lifepo4 Battery Pack manufactured?

A3: The Lifepo4 Battery Pack is manufactured in China.

Q4: What is the capacity of the Lifepo4 Battery Pack?

A4: The capacity of the Lifepo4 Battery Pack depends on the model. Please contact us for more details.

Q5: What is the charging voltage of the Lifepo4 Battery Pack?

A5: The charging voltage of the Lifepo4 Battery Pack depends on the model. Please contact us for more details.
