

## HV 0.5A/1A/2A Lipo Battery Charger Reliable Efficient Charging With ABS Casing

Our Product Introduction

for more products please visit us on lohuite.com

### Basic Information

- Place of Origin: CHINA
- Brand Name: LOHUIITE
- Model Number: 2023-004

### Product Specification

- Material: ABS
- Name: Lipo Battery Charger
- LED Indicator: Red/Green
- Compatible Battery: Li-ion/ LiFePO4/ LiHV/ Ni-MH/ Ni-Cd
- Charging Current: 0.5A/1A/2A
- Protection: Reverse Polarity/Short Circuit/Over Voltage/Over Current/Over Temperature
- Charge Time: 2-3 Hours
- Warranty: 1 Year
- Highlight: **ABS Casing Lipo Battery Charger ,  
2A Lipo Battery Charger ,  
ABS Casing lipo balance charger**

## Product Description

### Product Description:

The Lipo Battery Charger is a great choice for anyone looking for a reliable and efficient DC battery charger. Its ABS material ensures it is strong and durable, and it is lightweight at only 100g. This battery charger is designed to charge and discharge your batteries quickly, with a charge time of just 2-3 hours. It has a DC output voltage of 4.2V, and comes with a 1 year warranty, so you can be sure you are getting a great product.

Whether you are looking for a battery charger for your remote control toys, smartphones, or any other DC battery-powered device, the Lipo Battery Charger is the perfect choice. It is designed to be easily used and is perfect for those who want a reliable and efficient battery charger.

So if you're looking for a great DC battery charger, the Lipo Battery Charger is the perfect choice. With its quick charge time, strong material, and 1 year warranty, you can be sure you are getting a great product.

### Applications:

LOHUIITE 2023-004 Lipo Battery Charger is the perfect choice for your battery charging needs. This reliable battery charger has an input voltage of DC 12V and provides protection against reverse polarity, short circuit, over voltage, over current, and over temperature. The charging current can be adjusted to 0.5A/1A/2A with ease. Furthermore, it comes with a 1 year warranty.

This Lipo Battery Charger is perfect for charging all types of batteries, including lithium, lead-acid, and NiMH batteries. It is ideal for automotive, marine, RV, and aircraft applications. It is also suitable for charging batteries in a variety of devices, such as power tools, radio-controlled toys, and more. This battery charger is easy to use and comes with all the necessary safety features for maximum protection.

The LOHUIITE 2023-004 Lipo Battery Charger is the ideal solution for anyone looking for a reliable and efficient battery charger. With its adjustable charging current, protection features, and warranty, it is the perfect choice for all your battery charging needs.

### Customization:

LOHUIITE Lipo Battery Charger 2023-004

Brand Name: LOHUIITE

Model Number: 2023-004

Place of Origin: CHINA

Weight: 100g

Charging Current: 0.5A/1A/2A

Compatible Battery: Li-ion/ LiFePO4/ LiHV/ Ni-MH/ Ni-Cd

Material: ABS

LED Indicator: Red/Green

This LOHUIITE Lipo Battery Charger 2023-004 is the perfect choice for charging all types of batteries used in electric vehicles, such as Li-ion, LiFePO4, LiHV, Ni-MH, and Ni-Cd. It features a light weight of 100g and is made with ABS material. It also has an LED indicator that shows the charging status in red and green. With adjustable charging current of 0.5A/1A/2A, this battery charger discharger lets you charge your battery safely and conveniently.

### Support and Services:

Lipo Battery Charger Technical Support and Services

We are here to provide technical support and services for our Lipo Battery Charger products. Our goal is to make sure that you get the most out of our products. We are committed to ensuring that our customers receive a reliable and efficient service.

Technical Support

We offer technical support for our Lipo Battery Charger products. Our experienced technical team is available to answer any questions you may have. Whether you need help with installation, troubleshooting, or advice on how to use our products, our team is here to help.

Services

We also offer a range of services to ensure that our Lipo Battery Charger products are working properly. We can provide maintenance and repair services, as well as upgrades and installation services. We also offer a comprehensive warranty service to make sure that our products are always in good working order.

### Packing and Shipping:

#### Packaging and Shipping of Lipo Battery Charger

Lipo Battery Charger is packaged in a secure cardboard box and secured with packing foam.

It is shipped with a tracking number to ensure delivery and safe transport.

The package is marked with the product name and other relevant information to ensure that it is not damaged in transit.

#### FAQ:

Q1: What is the Brand Name of the Lipo Battery Charger?

A1: The Brand Name of the Lipo Battery Charger is LOHUIITE.

Q2: What is the Model Number of the Lipo Battery Charger?

A2: The Model Number of the Lipo Battery Charger is 2023-004.

Q3: Where is the Lipo Battery Charger made?

A3: The Lipo Battery Charger is made in CHINA.

Q4: What kind of Lipo Battery Charger is it?

A4: The Lipo Battery Charger is a multi-functional and intelligent charger.

Q5: What is the charging current of the Lipo Battery Charger?

A5: The Lipo Battery Charger has a maximum charging current of 5A.
