

B6AC DC4.2V Lipo Balance Charger Lipo Smart Charger With Over Temperature Protection

Our Product Introduction

for more products please visit us on lohuite.com

Basic Information

- Place of Origin: CHINA
- Brand Name: LOHUIITE
- Model Number: 2023-004
- Minimum Order Quantity: 5
- Price: 14.9USD
- Payment Terms: L/C, D/A, D/P
- Supply Ability: 1000

Product Specification

- Output Voltage: DC 4.2V
- Weight: 100g
- LED Indicator: Red/Green
- Name: Lipo Battery Charger
- Protection: Reverse Polarity/Short Circuit/Over Voltage/Over Current/Over Temperature
- Material: ABS
- Charge Time: 2-3 Hours
- Warranty: 1 Year
- Highlight: DC4.2V Lipo Balance Charger ,
DC4.2V Lipo Smart Charger ,
Over Temperature Protection Lipo Balance
Charger

Product Description

B6AC Lipo Battery Charger with Over Temperature Protection

Product Description:

Our Lipo Battery Charger is an advanced DC battery charger that is designed to charge and discharge lithium batteries safely and efficiently. It features a lightweight design of only 100g made of ABS material, and is equipped with a powerful DC 12V input voltage. With its advanced protection systems, it can protect the battery from reverse polarity, short circuit, over voltage, over current, and over temperature. Moreover, it is also equipped with a CC/CV charging mode to ensure maximum safety and efficiency. Our Lipo Battery Charger is the perfect tool for all your high-voltage battery charging and discharging needs.

Applications:

LOHUIITE HV Battery Charger 2023-004

LOHUIITE HV Battery Charger 2023-004 is designed and manufactured in China. It is a reliable and durable battery charger, with a weight of only 100g and made of ABS material. It offers superior protection against reverse polarity, short circuit, overvoltage, overcurrent, and overtemperature. It is capable of charging batteries with a DC output voltage of 4.2V and offers both CC and CV charging modes. The LOHUIITE battery charger is a must-have for anyone who needs to charge their HV batteries quickly and safely. It is easy to use and ensures the batteries are charged to the optimal level without any risk of damage. It is ideal for camping, outdoor activities, and any situation where reliable and safe battery charging is required.

Customization:

LOHUIITE Lipo Battery Charger

Brand Name: LOHUIITE

Model Number: 2023-004

Place of Origin: CHINA

LED Indicator: Red/Green

Warranty: 1 Year

Material: ABS

Protection: Reverse Polarity/Short Circuit/Over Voltage/Over Current/Over Temperature

Input Voltage: DC 12V

This LOHUIITE Lipo Battery Charger is an EV Battery Charger that provides efficient charging for your Lipo batteries. With its built-in protections, you can rest assured that your batteries are safe from reverse polarity, short circuit, over voltage, over current, and over temperature. The LED indicator will glow red or green, so you will know when your batteries are fully charged. This is an excellent choice for your EV Battery Charger needs, and it comes with a 1 year warranty.

Support and Services:

Lipo Battery Charger Technical Support and Service

We provide comprehensive technical support and service for the Lipo Battery Charger.

Technical Support

Our technical support team is available to answer any questions you may have about the Lipo Battery Charger. We can provide technical assistance via phone, email, or remote support. Our team is knowledgeable and experienced, and can help you troubleshoot any difficulties you may have with the product.

Product Service

We offer a range of service options for the Lipo Battery Charger. Our service plans include repair, replacement, and maintenance services. We have a team of certified technicians who can quickly diagnose and repair any issues you may have with the product. We also offer a warranty on our products, so you can rest assured that your purchase is protected.

Customer Service

We take customer service seriously and strive to provide the best experience possible. Our customer service team is available to answer any questions you may have about the Lipo Battery Charger. We can provide assistance via phone, email, or live chat. We are committed to providing the highest level of service and satisfaction.

Packing and Shipping:

Packaging and Shipping for Lipo Battery Charger

The Lipo battery charger is packaged in a cardboard box.

The box is sealed with tape and has a label with the product name.

The Lipo battery charger is shipped in a padded envelope with extra padding for protection.

The envelope is marked with "Fragile" and "Handle With Care" labels.

The shipment is tracked for delivery confirmation.

FAQ:

Q: What is the Brand Name of this Lipo Battery Charger?

A: The Brand Name of this Lipo Battery Charger is LOHUIITE.

Q: What is the Model Number of this Lipo Battery Charger?

A: The Model Number of this Lipo Battery Charger is 2023-004.

Q: Where is this Lipo Battery Charger made?

A: This Lipo Battery Charger is made in China.

Q: What type of batteries can be charged with this Lipo Battery Charger?

A: This Lipo Battery Charger is compatible with 3.7V Lithium Polymer (Li-Po) batteries.

Q: Does this Lipo Battery Charger have reverse polarity protection?

A: Yes, this Lipo Battery Charger has reverse polarity protection.
