Product Description

HOSHI FX-620 Glider RC Drone SU35 Fighter 2.4G Remote Control Aircraft Electric Aircraft Model Toy Fixed Wing Glider ModelFX-935 Airplane Flying Aircraft EPP Foam Fixed Wing Airplane Foam Plane Remote Control Aircraft Model Toys Kids

Product Description

Features:

1. Fly when you get it, even novices can control it quickly, and the operation is simple and easy to fly.
2. EPP's light and flexible material is more resistant to crashes and falls, with a flying weight of about 24g, which can withstand several impacts.
3. The high-speed coreless motor has fast speed, low energy consumption and long life.
4. Intelligent balance flying as you want, built-in 3-axis gyroscope flight self-stabilization system, flying more easily.
5. The remote-controlled aircraft adopts push-back dual power, which has stronger power and better stability.
