Basic Information

- Place of Origin: Guangdong, China
- Brand Name: HOSHI
- Model Number: 4DRC F10
- Price: \$69.99/units 1-23 units
- Packaging Details: ORIGINAL GIFTBOX + CARRY CASE

Product Specification

- Material: Plastic, ABS
- Power: MOTOR
- Function: Altitude Hold Mode, With Camera, With LED Lights, 3D Flip, With Remote Control
- Image Capture Resolution: 4K
- Private Mold: Yes
- Operator Skill Level: Intermediate
- Control Type: Remote Control
- Image Transmission Distance: 500M
- Indoor Hover: YES
- Maximum Flight Time: 25MINS
- Gyro: YES
- Product Name: F10 Drone
- Color: WHITE
- Flight Time: 25MINS

Our Services

Design Service:

We can provide OEM/ODM service. We also cooperate with famous brand, such as Disney, Walmart and Gearbest and so on. If you have any needs for your new product or wish to make further improvements, we are here to offer support.

Product Sampling:

One of the biggest worries when purchasing from a Chinese supplier, especially for the first time. Our samples procedure takes away your worry.

Quality Control:

We have experienced and strict QC team to control the quality. To guarantee high-quality products sent to our customers.

Delivery:

We can arrange sea shipment, air shipment, express shipment for you. Or you can also appoint your own forwarder, we deliver goods to your forwarder, and help them to arrange shipment for you.

Accept print customer logo and make packing:

We will prepare artwork for visual confirmation, and next we will produce a real sample for your final confirmation. If sample confirmed ok, then we will go to mass production.

Company Information

HOSHI electronic technology com.ltd, a professional manufacturer for quadcopter , helicopter , toys and gopro accessories. We have our own factory , warehouses , D&R department . We can provide OEM &ODM service . We are here looking forward to cooperating with you !

FAQ

1. When can I get the quotation?

We usually quote within 24 hours after we get your inquiry. If you are very urgent to get the price, please call us or send email so that we will regard your inquiry priority display.

2. How can we know the product quality?

We suggest you to order a sample. Also, you can send us email for detail photos for checking if you cannot get enough information in the product page.

3. Can you offer OEM/ODM service?

YES. The OEM/ODM is welcomed, we can redesign the sample as your required.

4. How long can I expect to get the sample?

After you pay the sample charge and send us confirmed files, the samples will be ready within 3 working days. The samples will be sent to you via express and arrive in 3-5 days. You can use your own express account or prepay us if you do not have an account.

5. What about the lead time for mass production?

Honestly, it depends on the order quantity and the season you place the order. Generally speaking, we suggest that you start inquiry two months before the date you would like to get the products at your country.

6. How can I send inquiry?

When you find something you are interested, you can click "chat now", or you can leave your information to us.

7. What is your payment?

We usually accept payment based on L/C, T/T, Western Union, PayPal, Alipay, Escrow, and Money Gram. It's negotiable.

Feedback

Five-star feedback is warmly welcomed. We request that you feel to contact us immediately BEFORE you leave a Neutral or Negative feedback, so that we can help you to solve the problems!
